# CARE and American Red Cross Plan Benefits for Suffering Hungarians

FOIA b3b

Sympathetic Washingtonians will have two chances to open their hearts and pocketbooks for suffering Hungarians, at benefits sponsored by CARE and the American Red Cross.

The CARE-sponsored program, a benefit concert by two top-flight Hungarian-born artists, will be held this Sunday at 4 p.m. at the Cosmos Club. The performers who are donating their services are Mme. Agi Jambor, pianist, and Mr. Robert Gerle, violinist.

Mrs. David B. Karrick is chairman of the benefit, and Mrs. Richard Riddell is in charge of contributions.

The second benefit, a highlight of the current American Red Cross Metropolitan Area Hungarian Relief Fund Drive for \$78,000, will be the premiere showing of Lowell Thomas' "Seven Wonders of the World," a Cinerama film, on December 27.

A box office has been set

up at Red Cross District headquarters, 2025 E st. N.W.
